

LINK Winter 2023 - Internship Interest Form

Hello and thank you for your interest in a 2023 Winter architectural internship in the Bay Area.

This Local Internship Network (LINK) is organized jointly by AIA San Francisco, AIA East Bay, and AIA San Mateo. Members of these chapters are eligible to post internship positions through this network.

Winter internships are typically short, but can be a transformative and valuable experience for the interns. Mentorship is a critical part of a student's learning experience, and has a lasting impact on future pathways.

Please take the time to fill out this form below. Once complete, you will gain access to firm postings for your review and possible contact. Interested firms will also be able to see your submitted interest form.

Please upload a resume, and a portfolio.

The deadline for submissions is **November 10, 2023 at 11:59 pm**.

(Don't hesitate to reach out if you need helping putting your material together!)

Please note: The Association of Collegiate Schools of Architecture, the American Institute of Architects, and the American Institute of Architecture Students recognize that **architects are bound by law and ethics to pay interns**, and strongly advocate for the appropriate compensation of architectural students and interns. (In other words, these will definitely be paid internships!)
